

2020-2021 SCHOOL SPORTS PACKAGE
EXPRESSIVE IMAGE PHOTOGRAPHY
(732) 974-3399

Dear Parents and Students,

The Freehold High School is pleased to announce that EXPRESSIVE IMAGE PHOTOGRAPHY will be here to photograph our students for their 2020-2021 SCHOOL SPORTS PACKAGE. It is a unique and exciting package designed to capture the dedication and discipline of our sport. It will allow you to forever remember the values, goals, and achievements which our students have conquered.

Due to the current Covid-19 situation all pictures will be taken outside. All athletes will be photographed individually and the team picture will be a montage of all the athletes' individual portraits. You are not required to purchase a picture but the school would like all the members of the teams to have their portrait taken so we can use the team montage in the yearbook.
